To: The Resident  
From: Kettering Borough Council  
Important Documents Enclosed

Dear Resident

Residents' Parking Scheme Consultation

You will have received documents seeking your views on a proposal to design and implement Residents' Parking Zones in your area. You should already have received the enclosed questionnaire, which gives you the opportunity to influence the decision on whether to introduce a scheme in your area or street.

The Executive Committee of Kettering Borough Council have stated that to progress to full implementation, the public vote (by way of questionnaire) must demonstrate that 60% of all households on a street within a zone area are in favour of the proposal.

It is extremely important that your questionnaire be returned before the 1st March 2019, to ensure that your views are taken into consideration. A pre-paid envelope is enclosed to return your questionnaire (no stamp is needed), just pop it into the post box.

Following the consultation, if there is sufficient support, a report will be taken to the Council’s Executive Committee on the 17th April 2019 recommending the implementation of such a scheme.

If you have any queries, you can:

- Call us on: 01536 410333
- Write to us at: Residents Parking Team, Public Services, Municipal Offices, Bowling Green Road, Kettering, Northamptonshire, NN15 7QX
- Email us at: residentsparking@kettering.gov.uk

You can view electronic versions of the documents on our website at: https://www.kettering.gov.uk/info/20011/parking/12036/residents_parking_scheme

Thank you for your assistance.

Yours faithfully

Joanne Fletcher  
Team Leader Warden Services
