

Sanctum 2 Plaque

The Sanctum 2 plaque features a black granite plaque installed on a grey granite base which can be leased in remembrance of a loved one. The granite plaque (approximately 30cm in length) is designed to remember one or two loved ones and it is possible to include photos and motifs.

The Sanctum 2 is leased on a 3 yearly basis and includes a vase for holding flowers. Other mementoes may be placed on the memorial so long as they are kept on the granite base and do not intrude on any other memorials.

The Sanctum 2's are located in the memorial garden at the top of the crematorium site. We will contact you shortly before the lease period ends to renew the lease or take the plaque away.

It can take up to approximately 12 weeks from the placing of your order to inscribe the tablet. Please inform the Crematorium Office if you change address so that you can be contacted when the lease period expires. Please make cheques/postal orders payable to Kettering Borough Council. For full payment options please visit www.kettering.gov.uk

To make sure that an inscription will fit onto the granite tablet,
please note the following information:

1. The name uses a larger type than the remainder of the inscription, therefore it may not exceed more than 20 letters and/or spaces per line. This is indicated by the dotted line. Names can go on any lines except 4 and 5. Two lines are allowed for the names, if three lines are needed, line 8 may not be used.
2. Lines 4 and 5 may only have 20 small letters and/or spaces. Other lines not used may have a maximum of 30 letters and/or spaces.
3. **Do not forget to include the spaces on your inscription. A space counts as a letter or number.**
4. We will centre the text on the tablet; this guide box is only an aid to your choice of inscription.
5. The inscription **must** be clearly written in block capitals - We cannot accept responsibility for mistakes caused by writing that is not clearly readable.
6. If the application is returned to us for whatever reason, we cannot be held responsible for any delays in the processing of the plaque.
