

Black Octagonal Planter

The Black Octagonal Planter memorials feature 96 black granite plaques installed on a large grey granite planter. The planters are located on each of the three scattering lawns and the plaques can be leased in remembrance of a loved one.

The plaques are approximately 15cm in length and allow for up to five lines of personal inscription. It is possible to include small motifs or a photo plaque. Bedding flowers are planted in the top of the planter in spring and autumn.

The memorial is leased on a 3 yearly basis and cut flowers may be left around the base of the planter. If you wish to lease a plaque on a specific lawn please specify this on the application form.

We will contact you shortly before the lease period ends to renew the lease or take the plaque away. It can take up to approximately 12 weeks from the placing of your order to inscribe the tablet.

Please inform the Crematorium Office if you change address so that you can be contacted when the lease period expires.

Please make cheques/postal orders payable to Kettering Borough Council. For full payment options please visit www.kettering.gov.uk

To make sure that an inscription will fit onto the granite tablet, please note the following information:

1. **Do not forget to include the spaces on your inscription. A space counts as a letter or number.**
2. The fixing holes are located where the blacked out boxes are on lines 3 and 4. These boxes cannot be used. These lines are recommended for the dates.
3. The lettering on this size tablet is smaller than on other Memorial Tablets due to the size of the tablet.
4. We will centre the text on the tablet; this guide box is only an aid to your choice of inscription.
5. The inscription **must** be clearly written in block capitals - **(We cannot accept responsibility for mistakes caused by writing that is not clearly readable.)**
6. If the application is returned to us for whatever reason, we cannot be held responsible for any delays in the processing of the plaque.
