

Red Octagonal Planter

The Red Octagonal Planter memorials are located between the memorial wall and the Chapel of Remembrance in a quiet garden. Granite plaques can be leased on these planters in remembrance of a loved one. The plaques are red granite and are approximately 30cm in length and can allow for three longer lines of inscription.

Each planter features 48 plaques and bedding flowers are placed in the top of the planter in spring and autumn. The memorial is leased on a 3 yearly basis and cut flowers may be left in the vases around the base of the planter or on the memorial wall. We will contact you shortly before the lease period ends to renew the lease or take the plaque away. It can take up to approximately 12 weeks from the placing of your order to inscribe the tablet.

Please inform the Crematorium Office if you change address so that you can be contacted when the lease period expires. Please make cheques/postal orders payable to Kettering Borough Council. For full payment options please visit www.kettering.gov.uk

To make sure that an inscription will fit onto the granite tablet, please note the following information:

1. The name will be in a different type from the remainder of the inscription, therefore it may not exceed more than 17 letters and/or spaces per line. The name should be confined to Line 1.
2. Because of the fixing holes in the centre please use the middle line (Line 2) for dates only, in either of the following styles:

(a) 1920 - 1993 **OR** (b)12.3.1920 - 11.10.1993
3. Line 3 can have up to 25 smaller letters and spaces for your own message.
4. Do not forget to include the spaces on your inscription.
5. The inscription **must** be clearly written in block capitals. **(We cannot accept responsibility for mistakes caused by writing that is not clearly readable.)**

Line1: Name only up to 17 letters and/or spaces.

Line2: Dates only in style as shown above.

Line3: For your own short message - up to 25 letters and/or spaces.

Please do not use any more letters and/or spaces as these are the most that will fit on.
 We reserve the right to alter or amend an inscription as necessary to comply with the above guidelines.

6. If the application is returned to us for whatever reason, we cannot be held responsible for any delays in the processing of the plaque.
