

Double Memorial Wall Plaque

The Memorial Wall plaque features a Welsh slate plaque installed onto the original memorial wall which can be leased in remembrance of up to two loved ones. The double slate plaque (approximately 20x20 cm in length) is finished in white lettering.

The Memorial Wall plaque is leased on a 3 yearly basis. There are communal vases along the wall for holding flowers. No other mementoes may be placed on the memorial or along the wall. The Memorial Wall is located adjacent to the crematorium building.

We will contact you shortly before the lease period ends to renew the lease or take the plaque away.

It can take up to approximately 12 weeks from the placing of your order to inscribe the plaque. Please inform the Crematorium Office if you change address so that you can be contacted when the lease period expires. Please make cheques/postal orders payable to Kettering Borough Council. In order that the inscription will fit onto the plaque, please note the following information:

1. The name uses a larger type than the remainder of the inscription, therefore it may not exceed more than 14 letters and/or spaces per line. This is indicated by the dotted line. Names can go on any lines except 4. If more lines are need for names then the main body of text should be reduced to accommodate this.
2. If you wish to add a further inscription at a later date then space must be left for this.
3. Do not forget to include the spaces on your inscription. A space counts as a letter or number.
4. We will centre the text on the tablet; this guide box is only an aid to your choice of inscription.
5. The inscription must be clearly written in block capitals - We cannot accept responsibility for mistakes caused by writing that is not clearly readable.
6. If the application is returned to us for whatever reason we cannot be held responsible for any delays in the processing of the plaque.
