Entry Form 2019

The Alfred East Art Gallery's open exhibition will bring together a range of high quality contemporary art from emerging and established artists in the region. All works will be subject to selection by a panel of judges including art professionals. The resulting exhibition will show the diversity of current artistic practice in painting, print, textiles, sculpture and new media.

The Alfred East Art Gallery has once again decided to open up our open exhibition to young artists in Northamptonshire only. The youth category will be divided into three age groups, 8-11, 12-15 and 16-18 years. The artworks selected from these categories can be for sale and will qualify for prizes.

The youth open19 is open to any young person who lives, studies or works in Northamptonshire and who is between the ages of 8-18. If you are not eligible for this category, then please look at our open19 exhibition. Details can be found on our website.

Entry

Each young artist from Northamptonshire can submit up to two works. Entries will be accepted in the form of painting, sculpture, drawings, prints, photographs and craftwork. We cannot accept installations or performances. Reproductions of drawings and paintings cannot be classed as prints and are, therefore, ineligible for entry. We can accept group work, or a piece produced for coursework or school projects. All work can be for sale but must remain in the gallery until the end of the exhibition. No works can be submitted that have been exhibited in the AEAG within the past 2 years and works should have been created in the last 3 years.

Entry Fee

An entry fee will be charged for each piece of work submitted and must be paid at the same time as submission. The entry fee is not refundable, payment by cash, debit/credit card or cheques made payable to 'Kettering Borough Council'.

Regulations 2019

Please read the regulations and checklist carefully. Please retain the entry regulations for your own information.

Changes to Data Protection Act 2018 – open 19

This Privacy Notice tells you what to expect when Kettering Museum and Art Gallery collects your personal information. The information you provide will only be used to administer the open19 exhibition. It will be kept in a secure environment and only accessed by staff on a “need to know” basis. It will not be shared with any other organisations or transferred outside of the European Union. It will be retained until the completion of the open19 exhibition, when it will be securely destroyed.

Submissions

- All two-dimensional work can be submitted.
- Three-dimensional work less than 50 kilos in weight and portable by two people can also be submitted.
- No work may have a dimension exceeding 1.2 metres. Please measure work before delivering, as over-sized works will be turned away.
- All paintings must be completely dry - any wet paintings will not be accepted.

Top of work

The top of work should be clearly identified on the reverse.

Labels

One stick-on label must be put on each work giving artist's name, title of work, medium and selling price with one tie on label on a length of string that will hang over the front of the work, with the same information. It is important that all labelling should match. Please cross-check all titles, prices, names, media etc. The AEAG cannot undertake to correct any errors and therefore care must be taken when labeling. If work is priced incorrectly by the artist it will be catalogued at the highest price.

Mirror Plates

For security reasons all two-dimensional work must be mirror plated. Failure to comply will jeopardise entry of work. Mirror plates available from art, DIY and hardware shops or at the Gallery for 25p each. (See below)

Do NOT use cord to hang your works

Forms and Fees

A completed entry form and entry fee must accompany the work. No part of the entry fee is refundable.

Insurance

Works submitted for selection at the owner's own risk. The works will be kept securely and handled with due professional care, but the Gallery does not accept liability for loss or damage during the storage and selection periods. It is therefore the responsibility of entrants to arrange their own insurance for the period 12th – 17th September 2019.

Works selected for exhibition will be insured by Kettering Borough Council from 18th September – 4th November 2019.

Display of work

Every effort is made to display all work selected, however, this is not always possible. Neither the selection nor placing of the work in the gallery is open to discussion.

Transport and collection

The entrant is responsible for delivery and collection, whether or not the entry is exhibited.

Limited short stay parking is available opposite the Alfred East Art Gallery for the delivery/collection of works, subject to availability. Please note the Alfred East Art Gallery will not cover any costs associated with the transport of works, including the cost of shipping, import or postage. The Alfred East Art Gallery strongly advises artists against postal submissions and does not accept liability for damages to works whilst in transit or on the premises.

Sales

All works submitted must be for sale and a selling price supplied for all works. Artists will be advised of sales, and payment to the artist will be made at the end of the exhibition, once payment has been received from all purchasers. Artists will be informed of orders for unframed prints and editions once payment is received by the AEAG, and it is their responsibility to organise delivery to the purchasers. The price stated on the entry form and labels is the catalogue selling price, which cannot be altered and must include the AEAG's commission. Commission of 25% plus 20% VAT payable on commission will be deducted by the AEAG. If you are registered for VAT, please indicate this on the entry form.

Charges for late collection of works

It is imperative that work is collected during the advertised collection periods. A storage charge of £10 per work, per day, will be made for any works not collected on time, unless by prior agreement with the Gallery Officer. The Gallery reserves the right to dispose of any work not collected by Saturday 9th November 2019.

Copyright and Publicity

Copyright remains with the artist; however, by signing the entry form, the artist agrees that his/her work can be used for promotional purposes.
