Tests of Soundness
Do you consider the Local Plan is sound in terms of being:
Justified
Effective
Positively prepared
Consistent with National Policy

Reasons
Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

We are concerned that the update to the local plan (SSP2) for the Borough proposes to reduce the protection afforded to Thorpe and Cransley Reservoirs.
These are beauty spots on the footpath network so are enjoyed by many in the Borough and are also very important wildlife sites.
We believe that Policy 10 should be retained for these very considerable assets.
