Tests of Soundness

Do you consider the Local Plan is sound in terms of being:

Justified
Effective
Positively prepared
Consistent with National Policy

Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

I write (AS myself) a lifetime resident of Cransley to request that KBC continues to give maximum protection to Cransley and Thorpe Reservoirs under Policy 10.

These two reservoirs are essential to the bird life of our two parishes and of course further afield. They provide stopping off points for migrating Birds as well as our indigenous population of Water fowl. In these days it is ever more important that the outgoing Local Authorities do not fall at the last hurdle and hand on to the Unitary Authority a reduced protection standard. The need to protect our Biodiversity and the unique mid Northants flora and Fauna is so important and on my own land in Cransley I have over 60 acres of unfarmed private wildlife areas which form an important part of my life.
