Consistent with National Policy

Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

I’m writing to you with my concerns regarding the council’s proposal to remove the policy 10 plan from Thorpe Malsor and the surrounding area.

I have recently taken over the running of the trout fishery located on Thorpe Malsor reservoir and am working towards creating a unique, exclusive business utilising and enhancing the natural beauty and tranquility that the area has to offer.

I’m concerned that the removal of Policy 10 would leave vital elements of the protection toward bio and geo diversity in the area susceptible to “interpretation” towards developments, that may harm the natural balance, green infrastructure and beauty of the area.
