- Justified No
- Effective No
- Positively prepared No
- Consistent with National Policy No

Legal and Procedural requirements

Do you consider the Local Plan has been prepared in line with legal procedural requirements? Yes

Duty to Cooperate

Do you consider the Local Plan to be compliant with the Duty to Cooperate? No

Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.
Kettering Borough Council adopted a policy to put the Climate Emergency at the forefront of everything it does. The current plan and proposed outcomes refer to environmental considerations but these are not put first. The plan still envisages carbon growth (albeit "low").

Proposed Actions/Changes

Please explain what changes or actions are needed to make the Local Plan legally compliant.

This plan must reflect the need to reduce the carbon impact of our local settlements

Attendance at the examination hearings

If you are seeking to change the Plan, would you like to attend the examination hearings? Yes

If Yes, please outline the reason(s) why, below.

It is imperative that all local government genuinely place the climate emergency at the forefront of every decision. It is important that citizens help to ensure that focus is maintained
