Site Specific Part 2 Local Plan

**Tests of Soundness**

Do you consider the Local Plan is sound in terms of being:

- Justified
- Effective
- Positively prepared
- Consistent with National Policy

**Proposed Actions/Changes**

Please explain what changes or actions are needed to make the Local Plan legally compliant.

The protection of soil resources or Best and Most Versatile land is not mentioned within the plan. We again advise this is included, since it is a requirement of the NPPF.
