**Representation**

Please use a separate form for each representation.

**Which part of the Publication Plan does your representation relate to?**

4 Housing requirements: more emphasis should be placed on ground heating pumps. For groups of council houses, ground heating pumps should be the default source of energy, also as a flagship project for other developments. Special advice and support should be available for developments incorporating ground heating pumps. There could be a public awareness campaign to promote them.

**Tests of Soundness**
