Tests of Soundness

Do you consider the Local Plan is sound in terms of being:

Justified
Effective
Positively prepared
Consistent with National Policy

Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

I refer to the above policy which I understand is up for renewal. I would like to object to any changes regarding the Cransley and Thorpe Malsor reservoirs. This is an important wildlife area and should be protected. They are natural beauty spots and habitats for the Kettering area as a whole.
