Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

As residents of Thorpe Malsor for the last 32 years, my wife and I would like to register our disapproval of the proposed replacement of Policy 10 with NEH2.

Thorpe Malsor and Cransley reservoirs are areas of outstanding natural beauty and as committed conservationists, we consider the implementation of Policy 10 would have a considerable detrimental effect on the flora and fauna.

Policy 10 has been an operational success during the last 25 years and proved to be a very successful important planning and policy tool and certainly needs to be retained.
