Representation

Please use a separate form for each representation.

Which part of the Publication Plan does your representation relate to?

8. Natural Environment and Heritage

Tests of Soundness

Do you consider the Local Plan is sound in terms of being:

Justified
Effective
Positively prepared
Consistent with National Policy

Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

I would like to have on record that I would like KBC to retain Policy 10, with the protection it gives to Cransley and Thorpe Malsor reservoirs.

I believe that it would be a huge mistake to lessen the protection of our Local Wildlife Site between Cransley and Thorpe Malsor reservoirs. This area is much valued by local inhabitants as part of the 'green infrastructure' of our county.

I apologise for being late in asking you to include my name in the list of objectors to the proposed change.

Thank you for your time.
