Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

On behalf of the 220 members of Cransley Sailing Club, we wish Kettering Borough Council to continue with the same principles as adopted under Policy 10 in the future with regards to the protection from development (built or otherwise) in the environs of Cransley Reservoir. Since 1892 this has been a wildlife haven and the sailing club and fishermen and local landowners have maintained this wonderful habitat for all to enjoy either on or around the water. Thousands have and continue to enjoy this reservoir and ANY relaxation of the regulations relating to development that would allow inappropriate schemes to be passed will permanently damage this fragile ecosystem.

We therefore strongly urge Kettering Borough Council to continue with the protection of this Reservoir in the same vein as Policy 10.
