Tests of Soundness

Justified
Effective
Positively prepared
Consistent with National Policy

Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

I would like to register my opinion that the local plan should give our two important reservoirs, Cransley and Thorpe Malsor, the same protection going forward as they have now under Policy 10. As a local resident I enjoy these wild areas and they are strategically important for over wintering wildfowl.
