Tests of Soundness

Do you consider the Local Plan is sound in terms of being:

- Justified
- Effective
- Positively prepared
- Consistent with National Policy

Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

I am concerned with the suggestion that Policy 10 of the Local Plan should be amended.
Thorpe and Cransley Reservoirs need to be protected places.
They are important for the environment, for wildlife and for leisure pursuits.
Migrating birds use the reservoirs each year.
They are also, part of the footpath network.
Policy 10 has stood the test of time and I see no reason for it to be amended.
