Tests of Soundness
Do you consider the Local Plan is sound in terms of being:

Justified
Effective
Positively prepared
Consistent with National Policy

Reasons

Please give the reason(s) why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the statutory Duty to Cooperate.

Councillors of Great Cransley Parish Council all emphatically agreed that Policy 10 should be retained.
It would be detrimental to the whole area, the wildlife, including small mammals and birds, the water quality and the well used public footpaths bordered by wild flowers if it did not have the protection of Policy 10 to secure its future.
Cransley Reservoir is enjoyed by the public for its views from the surrounding area and from the footpath over the dam. The sailing boats from the active sailing club give extra interest and enjoyment to the peace and quiet of this local area of countryside which must never be allowed to be commercialised.
