• 12:11 - RTC fully support improvements to pedestrian and cycle links.
• 12:12 - It is essential that further investigations take place with the increase in traffic resulting from the Rothwell North Development and the impact on junction 3 of the A14 and the A6/Rothwell link road junction. In addition, the impact on Harrington Road/Fox Street/Kettering Road by traffic attempting to gain access to junction 4 of the A14 when junction 3 is congested at peak times when exiting off the A6 must also be investigated.
