Which Main Modification, change to the Policies Map or section of the Sustainability Appraisal Report Addendum or Habitat Regulations Assessment Addendum does your comment relate to?

Main Modification MM27 regarding Open Spaces, and Policy Map PM9 Deletion of Local Green Space reference numbers HVI006 and HVI007".

Please use a separate form for each representation.

Representation

My wife and I moved to Braybrooke in 2012 and a large part of its appeal lay in its historical character, particularly in relation to the ruins of Braybrooke Castle which are at the centre. These add significantly to its charm and attraction and any attempt to weaken protection and preservation of the village's green spaces should therefore be resisted. I would suggest that the ruins should be added to the list of other visually and historically significant sites in the locality.
