Which Main Modification, change to the Policies Map or section of the Sustainability Appraisal Report Addendum or Habitat Regulations Assessment Addendum does your comment relate to?

Main Modification MM27 regarding Open Spaces, and Policy Map PM9 Deletion of Local Green Space reference numbers HVI006 and HVI007.

Please use a separate form for each representation.

Representation

I strongly object to these changes, which appear to dilute the strength of Local Green Spaces as a designation after the particular areas in Braybrooke (HVI1006 and HVI007) were so selected with widespread local agreement. There is very little point in going through such a designation process if the goalposts are subsequently to be moved: if permitted these changes will override local decisions made democratically and in good faith.
