Hello I wish to object to the deletion of historically and visually important green space in Loddington.

Reference numbers HV1027, HV1028, and HV1054.

I believe that if this goes ahead it will be easier for the land owners to develop this land. I have lived in Loddington for nearly 50 years and these green spaces are special areas to me, and I would like to see them preserved as they are for future generations to enjoy.
