As a member of the local community I have taken a keen interest in the preparation of the Site Specific plan for KBC over the years, and am shocked at the changes proposed in the modifications now being consulted on, and disappointed that KBC have not been able to gain approval for its well researched proposals. With regard to the Catagrisation of Ashley, Category B would be more appropriate and better reflect the historic architecture, offering greater protection of the nature of this small village with its special features. I trust that the council will reconsider this categorisation.
