Which Main Modification, change to the Policies Map or section of the Sustainability Appraisal Report Addendum or Habitat Regulations Assessment Addendum does your comment relate to?

HV1054

is an arena that has protected trees and such protection should be retained. In a world where there is heightened concern for the future of the planet trees are integral to survival

HV1028

I understand that although this is privately owned it was to be retained as an integral conservation area. Should this protection be lifted it opens the way for development by owners of the land and others. It is a focal part of the village a large green space that houses many small animals etc
