#### Which Main Modification, change to the Policies Map or section of the Sustainability Appraisal Report Addendum or Habitat Regulations Assessment Addendum does your comment relate to?

HV1054 Loddington Deletion of Historically and Visually important Green Space (MM27 and PM16)

Please use a separate form for each representation.

#### Representation

HV1054

This site would appear to be the area directly across Main Street from the Medieval Church, and just outside the stone wall of the Jacobean Hall, Grade 2 listed if not Grade 1. The area is covered by mature beech trees, and I most strongly object to any proposal to delete it from protection as a historically and visually important green site. Vandalism of a village like this belongs to Planning Values of the 20th Century.
