As witnessed during the Land at Desborough South appeal hearings in 2016 and 2017, the Ise Valley is valued to the community of Desborough. This has been of even greater value in the past 15 months where green space has encouraged mental and physical well being. Paragraph 100 expresses many ingredients that I believe prevent development on the Ise Valley.

Due to Covid-19 and changes to the local council members, Desborough Town Council have not been in a position to complete the Neighbourhood Plan, therefore any extensions which have been applied to allow developers to make amendments should be equally and fairly applied to those developing a Neighbourhood Plan.
