| Report Title                                       | GARDEN COMMUNITIES CAPACITY BID |                           |           |
|  |                                 |                           |           |

### 1. <u>PURPOSE OF REPORT</u>

To set out the contents of the capacity bid, the terms of the award made and the progress to date in using the capacity funds.

#### 2 INFORMATION

- 2.1 The bid proposal submitted to Communities and Local Government Department in January 2015, on behalf of the North Northamptonshire Councils, is attached at Appendix "D". It sets out the investment, in kind and in cash, that local authorities were already putting into the growth agenda and the additional resources required, and asked government to bear a fair share of that.
- 2.2 The award made in the spring budget was of £750,000, which was more than the £500,000 limit that had been applied to the garden communities programme. The government however did not specifically advertise the award as related to garden communities (unlike, say, the similar contemporaneous award in respect of Bicester).
- 2.3 The award was, nevertheless, less than had been sought and some trimming of the intended budget took place. The resulting budget for the programme is therefore:-

JOINT DELIVERY COMMITTEE

### Table 1 – Capacity Fund Share of Resource Requirement 2015/16 (£000s)

| ltem  | Descriptor   | Revised Cost |
|---|--|--------------|
| Senior  | Time spent on Growth and support for   | 20           |
| Management  | partnership structures   | 20           |
| Growth Manager  | Delivery Unit Manager and Project  | 67           |
| Post  | Management Resource  | _            |
| Planning Staff  | Additional Planning Staff for Delivering Unit  | 167          |
| Highways Staff  | Additional Highways Planners to work with  | 108          |
| <u> </u>  | Delivery Unit  |              |
| Legal Capacity  | Costs associated with delivery of SUEs and governance of unit, etc                                       | 75           |
| Viability Testing   | External Consultative Advice/Negotiations  | 39           |
| Joint Planning Unit   | Additional support on specialist planning<br>matters – ecology, heritage, sustainability,<br>design, etc | 29           |
| Community<br>Engagement   | The Growth Community, as a concept,<br>requires additional engagement above and<br>beyond existing scope | 24           |
| Economic<br>Development   | Place marketing, promotional work, inward investment expertise, funding bids                             | 47           |
| · ·   | Sub Total  | 574          |
| Assessments<br>and Studies  |  |              |
| Programme of<br>commissioned<br>work on NN<br>Growth<br>Community | Ensure appropriate best-practice principles are enshrined in operational delivery                        | 136          |
| Transport<br>Assessments, etc                                     | Required to support delivery of SUEs   | 40           |
|   | Total  | 750          |

- 2.4 The award was to be paid in two parts
  - £300,000 received by Kettering BC as accountable body in mid-June and
  - £450,000 which is due in August on satisfactory completion of a series of milestones by 31<sup>st</sup> July 2015.
- 2.5 These milestones were/are:-

# NORTH NORTHAMPTONSHIRE JOINT DELIVERY COMMITTEE

- The key posts (Delivery Unit manager, Project Manager, Planning and Highways staff) will be appointed to and staff active in role, either using interim appointees or full time appointments.
- Consultants will be appointed to undertake the main cross-scheme assessments for which funding is sought assessment of resilience of electric and gas supplies and assessment of on-site health service provision.

#### Progress to date

- 2.6 The following table sets out the progress made against these key milestones as well as against other aspects of the bid. A small steering group was established, comprising officers from the five councils and from the Joint Planning unit, to progress the establishment of a delivery unit, and this group will continue in being until the Joint Delivery Unit is fully operational. Thereafter, between them, this committee, the North Northants Chief Executives group and the Chief Planning Officers Group will continue to support and oversee the work of the JDU.
- 2.7 The items marked in bold are the key triggers required by CLG to release the second tranche of funding

| Item                 | Progress   | Costs  |
|----------------------|--|--|
| Appointment of staff |  |  |
| Growth manager       | Adrian Arnold has been<br>appointed, after a<br>selection process, on<br>secondment from KBC as<br>Delivery Unit Manager<br>until the end of the year. | 95% of cost covered by<br>fund - of £67,000.<br>Remainder covered by<br>KBC. |
| Project manager      | A Project Manager Post<br>has been advertised for<br>internal secondment and<br>should be filled by the end<br>of July.                                | Full cost covered by fund.<br>Within assumed ceiling of<br>£50,000           |
| Highways             | Kier/Northamptonshire<br>Highways have appointed<br>three additional highway<br>engineering staff (2 FTEs)<br>to provide additional                    | Full cost covered by fund -<br>£108,000                                      |

# JOINT DELIVERY COMMITTEE

|                      | capacity to the SUEs in North Northants.   |  |
|----------------------|--|--|
| Planning             | The planning authorities<br>have identified planning,<br>administrative and<br>economic development<br>staff either on a full time<br>or part time secondment to<br>the delivery unit,<br>amounting to 5.25 FTEs<br>rising to 5.75 FTEs.     | This represents a value of £21,000 per calendar<br>month, and the lending<br>authorities will be<br>compensated at 55% of<br>the costs, to keep within<br>the overall budget within<br>the fund. |
| Additional capacity  |  |  |
| Legal Capacity       | It is expected that<br>additional legal capacity<br>will be required for the<br>highways Authority and<br>the planning authorities.  | Nothing has been committed as yet.   |
| Viability Testing    | NNDC have offered their<br>services to<br>Wellingborough and Corby<br>(as currently provided to<br>Kettering and East<br>Northants, with the costs<br>to be borne from the fund.   | No expenditure yet.  |
| Joint Planning Unit  | The JPU is commissioning<br>additional design capacity<br>to support existing and<br>emerging SUEs.  | Due to be covered by the provision within the fund and through developer contributions.  |
| Community engagement | Still to be developed. See subsequent report on this agenda  | No spend.  |
| Economic development | An ad hoc economic<br>development officer group<br>has identified the need to<br>develop place marketing<br>work, building on work by<br>developers and also work<br>by NNDC pre 2010. This<br>would require a web<br>presence and update of | Still to be worked through.  |

|                         | materials developed before 2010.  |                           |
|-------------------------|---|---------------------------|
| Assessments and studies |   |                           |
| Delivery plan           | A delivery plan has been<br>commissioned by the JPU<br>on behalf of the<br>partnership from a<br>consortium of consultants<br>led by Aspinall Verdi, after<br>a competitive tendering<br>process. They have begun<br>work. This is an overall<br>plan to guide the work of<br>the Joint Delivery Unit and<br>to provide evidence for the<br>examination of the Joint<br>Core Strategy A<br>presentation on the draft<br>Delivery Plan will be made<br>to the next meeting of the<br>Joint Committee | Cost of £30k              |
| Utilities study         | A county wide utilities<br>study has been<br>commissioned from Peter<br>Brett Associates by NEP<br>and this is in progress.<br>There will be opportunity<br>to refine this to the NN<br>area if necessary once it<br>has been completed.  | Costs being borne by NEP. |
| Health services study   | After a difficult start,<br>agreement has been<br>reached in principle with<br>Nene CCG to commission<br>a study of health needs<br>and health service<br>solutions across the<br>SUEs.   | Yet to go out to tender   |
| Urban design studies    | Detailed urban structure analysis of Corby and  | Costs of £18,000          |

#### JOINT DELIVERY COMMITTEE

|                           | Rushden has been<br>commissioned by the JPU<br>on behalf of the<br>partnership to assess<br>opportunities for improving<br>connectivity, walking and<br>cycling options, and for<br>measuring the spatial<br>effects of expansion to the<br>towns. |  |
|---------------------------|--|--|
| Transport assessments     | NCC to commission these  | Within budget of £40,000   |
| Accommodation for the JDU | Wellingborough BC have<br>offered space in their<br>Swanspool Offices for the<br>JDU to be housed there.   | No cost to the fund,<br>although some additional<br>Kit costs to be borne from<br>within the fund at the point<br>they are incurred. |

#### Conclusion

- 2.8 The initial progress has been sound, but with the appointment of a JDU manager and a project officer, then a step change in speed can be achieved, particularly around those elements without much work undertaken so far. Subject to confirmation from CLG it is believed that enough has been done to date to secure the remaining £450,000 of funding.
- 2.9 Progress reports will continue to be delivered to the committee each time it meets.
