<b>Title</b>	<b>REPORT OF INDEPENDENT REVIEW PANEL – MEMBERS' ALLOWANCES: ADOPTION OF A NEW SCHEME OF MEMBERS' ALLOWANCES</b>		

### 1. PURPOSE OF REPORT

For the Committee to consider the findings of the Independent Review Panel and to make comments to Council for consideration at its meeting on 25<sup>th</sup> April 2018

### 2. INFORMATION

- 2.1 The Council is required to conduct a regular review of its members' allowances scheme. The current scheme of members' allowances was approved in April 2012, following the receipt of recommendations from the Independent Review Panel on Members' Allowances (IRP).
- 2.2 The composition of the IRP and the briefing pack was agreed by the Council's Standards Committee at its meeting on 9<sup>th</sup> October 2017. A letter was subsequently sent to all members inviting them to make representations to the Panel, either in writing or by personal appointment on the day of the meeting. A letter was also sent to the Clerks of all Town and Parish Councils in the Borough advising them of the review and inviting them to make representations. The date of the meeting of the Panel was also published on the Council's website, advising members of the public that they may submit representations if they so wished.

The panel's members were:-

Professor Steve Leach (Emeritus Professor of Local Government at De Montfort University, Leicester) who chaired the panel.

Ms Sue Watts (Business Development Manager of Northamptonshire Age UK)

Mr Danny Cannon (Kettering Multifaith Forum and a retired local businessman)

- 2.3 The IRP met on the 16<sup>th</sup> February 2018 and a copy of its subsequent report and recommendations are attached as **Appendix A** to this report.

2.4 The Council is required to adopt a scheme of Members' Allowances that adequately supports Councillors in fulfilling the Council's priorities and provides the best possible opportunity for any resident who is qualified to become a local councillor to stand for election and serve. The Local Authorities (Members' Allowances) (England) Regulations 2003 require councils to establish and maintain an independent remuneration panel to provide the local authority with advice on its scheme and the amounts to be paid. Local authorities must have regard to this advice.

2.5 The Independent Review Panel were asked to consider the following matters:-

a) Members Allowances

- ◆ Basic Allowances
- ◆ Special Responsibility Allowances
- ◆ Allowance for provision of IT
- ◆ Travel and Other Allowances
- ◆ Childcare and Dependent Carer's Allowances
- ◆ Mayor's and Deputy Mayor's Allowances

b) The Ward Initiatives Fund

2.6 The Executive Committee will consider the recommendations of the Independent Panel at its meeting on 18<sup>th</sup> April 2018. The Research and Development Committee's comments will be circulated at the meeting.

### **3. CONSULTATION AND CUSTOMER IMPACT**

3.1 The Standards Advisory Committee was consulted on 9<sup>th</sup> October 2017. It considered that there was a case to exercise austerity in respect of any increases to members' allowances, bearing in mind public perception should members be awarded a pay rise when officers had not had the same opportunity for their salaries to be reviewed in this way. However, it was noted that senior Councillors who were also Portfolio Holders needed to spend considerably more time on Council duties than other members and this should be taken into account. In addition, it was felt that there was a need to attract more people to put themselves forward for nomination, and that members' allowances needed to be fair for all councillors, some of whom may be in a better financial position than others. Members of the Advisory Committee welcomed the current scheme where annual increases were linked to officers' salary increases.

3.2 The briefing pack that was used by the review panel was made available to all members and placed on the Council's website.

3.3 All members and senior officers were notified of the date when the review panel was to meet and invited to make oral or written representations. A number of members and two senior officers took advantage of this.

3.3 In accordance with the Regulations, a public notice of the Panel's recommendations will appear in the local press subsequent to this meeting.

#### **4. POLICY IMPLICATIONS**

The terms of reference of the IRP included consideration of barriers to becoming councillors for different sections of the community and accordingly is in line with the Council's policies in relation to equalities.

#### **5. USE OF RESOURCES**

##### **Financial**

5.1 Although the terms of reference of the Independent Review Panel excluded the Panel from considering the financial implications, the Council will need to consider and take into account the budgetary implications when making their decision about the scheme.

5.2 The financial implications are outlined in Tables 1 and 2 below.

5.3 The following tables compare the current allowances and budget provision with the possible cost of the scheme under the options outlined in the IRP report;
