Delivering sustainable growth is key to achieving our vision for the area. Kettering Borough is part of the North Northamptonshire Growth Area. This area is part of one of the fastest growing regions of the country. This growth, if managed responsibly, has the ability to provide the right combination of homes, jobs, skills, education, healthcare, retail, leisure, play, greenspace and transport infrastructure to maintain a prosperous and thriving area for generations to come.

## Stronger, Safer, Cleaner and Healthier Neighbourhoods

Ensuring that the area is a safe, clean and healthy place to live and that the local communities are strong and working together for a common purpose is fundamental to our vision for the future.

Kettering Borough Council provides a wide range of services focussed on delivering this strategic objective. Innovative partnership arrangements with police, health and neighbouring councils are already delivering tangible results on the ground. The Local Strategic Partnership, Health and Wellbeing Forum and Kettering Futures Partnership continue to build strong links between service providers to harness resources and effort to tackle shared problems such as health inequalities, social inclusion, welfare and money management, environmental crime and anti-social behaviour. Progress has been good but there is still much to do.
