- 2.1 Kettering Borough Council (KBC) is one of the providers of allotment provision in the Borough; other allotments are privately owned and rented out to plot holders. KBC own twelve allotment sites in the Borough, which are managed and operated by either an allotment association or a Parish Council.
- 2.2 The Council does hold contact information for some privately owned sites. Those that are known by KBC, the full location and contact details may be found on KBC's website. Privately owned allotment sites are invited to be added to the website on request.
