Dear Mr and Mrs Gavin,

Pitch Register Application

I write to advise you that your application on the Council's Gypsy & Traveller Site Pitch Register remains on hold. This follows my letters to you dated 17/07/2017 and 25/09/2017. Your application was put on hold as you did not respond to my letters and at this time you were 2nd on the Register.

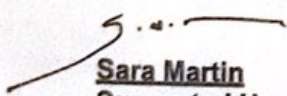

I have been made aware recently by Development Services colleagues that your temporary permission at Plot 24B Greenfields has expired. I therefore wanted to contact you to advise you that you are still on our Register for a pitch with the Council.

Please can you contact me upon receipt of this letter to advise if you do wish to remain on the Council's Gypsy & Traveller Site Pitch Register to be considered for a pitch on one of our sites when we have vacancies. Please can you also provide me with an up to date telephone number and inform me of any changes to your circumstances since completing your application with us.

Until I hear from you, I must advise that your application will remain on hold and if you do not respond by 27th March 2020 your application will be removed from the pitch register.

I look forward to hearing from you soon.

Yours Sincerely,

Sara Martin
Supported Housing Manager
